The Bay County Job Fair is not for "direct sales" or "home based" businesses. This Job Fair is not for businesses where success and income are determined by your effectiveness in building a sales organization that includes other consultants that help you expand your customer base as they build their sales organization. * Thank you for showing your commitment and interest in hiring/recruiting Veterans. We would like to inform you that doors will be open from 9-10am to allow for Priority of Service for our Veterans. Please be prepared to set up early in order to meet with them.
